Date: 27 February 2019

Dear Parent/Guardian,

**Travel Assist - 0-25 Transport Policy Consultation**

I write to advise you that a consultation on the draft Travel Assistance Policy for 0-25 year olds in education has been launched. The consultation will run from Friday 15 February until Tuesday 02 April 2019 and the survey can be accessed at:

<https://www.birminghambeheard.org.uk/people-1/0-25-policy/>

Please take the time to read the draft policy, summary of changes document and complete the survey.

Consultation events have been arranged for many groups of stakeholders, including seven at special schools as detailed on page 2 of this letter. Your attendance at one of these consultation events would be welcome as it is important that the consultation process captures the views of all of our stakeholders.

I trust that this clarifies the schedule of the 0-25 Transport Policy Consultation and how you can contribute towards it by attending one of the scheduled meetings.

Yours faithfully,

Anne Ainsworth
