

Additional help for students taking exams in summer 2022

Combined science, GCSE

Changes for 2022

1. Information on some of the exam content has been provided to help students focus their revision.
2. A revised equation sheet has been provided for teaching and learning.
3. A clean copy of the equation sheet will be provided for students in the exams.
4. Teachers can deliver practical work by demonstration.
5. Examiners will build in generosity for students when setting grade boundaries.

More information is available from the exam boards:

- Pearson Edexcel – [Combined Science \(9-1\)](#)

English language, GCSE

Changes for 2022

1. Information on some of the exam content has been provided to help students focus their revision.
2. Speaking assessment does not have to be recorded and can be conducted virtually and by a single teacher.
3. Examiners will build in generosity for students when setting grade boundaries.

More information is available from the exam boards:

- AQA – [English Language](#)

English literature, GCSE

Changes for 2022

1. Exams will cover less content than usual.
2. In the exams there will be a choice of topics on which students must answer questions.
3. Examiners will build in generosity for students when setting grade boundaries.

More information is available from the exam boards:
