Re: Inset Days and Progress Review Dates

Dear Parents and Carers,

We would like to extend our sincere thanks for your patience and understanding during our recent temporary school closure. We recognise the disruption this may have caused and are truly grateful for your continued support.

During the closure, we undertook significant improvement works across the school site, including upgrades to windows, roofs, and doors. These enhancements have allowed us to create a safer, brighter, and more positive learning environment for all our students.

In addition, we have taken the opportunity to revise our INSET days for the academic year. By utilising the time during the closure, we were able to complete some essential staff development, which has enabled us to reduce the number of training days during term time. The updated INSET days for this year, where the school is closed to all students, are as follows:

- **1st September 2025** (already completed)
- **2nd September 2025** (already completed)
- **5th January 2026**
- **12th March 2026**

We would also like to inform you of the two Progress Review Days:

- **5th December 2025:** Parents and carers are invited to attend school with their child between 10.30 am and 1.30 pm to meet with teachers and pastoral staff for an update on academic and character development. Outside of these meetings school is closed to students.
- **2nd July 2026:** Students will finish school at 12.30 pm and are expected to return with parents and carers between 3.30 pm and 6.30 pm to discuss progress with teachers and pastoral staff. A BBQ will be provided for all students and their families to enjoy.

Finally, please note that the last day of school will be **17th July 2026**, with a 12.30 pm finish for students.

Thank you once again for your continued support. We look forward to a successful and enriching year ahead.

Yours faithfully,

*K. Beale*

Headteacher
