Ref: Autumn 1 update

Dear Parents and Carers,

I hope this message finds you well. Before we share our full newsletter, I wanted to send a brief update to keep you informed.

Firstly, thank you for your patience and understanding during the unusual reopening of school this half term. We recognise the disruption caused by the unfinished building works and sincerely apologise for any inconvenience. I'm pleased to say that the improvements are now complete, and the refreshed spaces are already having a positive impact on the school environment.

We're also proud to share that our Year 11 students have successfully begun their college placements. It's a significant milestone, and we're delighted to see them taking this next step with confidence and enthusiasm.

Also, as the colder evenings roll in and heating bills start to climb, many families in our school community may be feeling the strain. Birmingham's Warm Welcome Spaces offer free, friendly places to stay warm, enjoy a hot drink or meal, and connect with others

Here are a few local gems where you'll find warmth, support, and community:

Cotteridge Church (Pershore Road, B30 3EJ)

Offers hot drinks, snacks, and a welcoming atmosphere. Great for meeting others or simply relaxing in warmth.

Kings Norton Library (Pershore Road South, B30 3EU)

Free Wi-Fi, computer access, and a quiet space to study or unwind. Staff can also help signpost to other support services.

St Nicolas Place (The Green, Kings Norton, B38 8RU)

A beautiful historic venue offering community activities, refreshments, and a warm welcome to all.

These spaces are open to everyone - students, parents and carers - and many offer additional support like advice on energy bills, food banks, and wellbeing services.

You can find even more spaces by visiting [Birmingham City Council's Warm Welcome page](#) or using the [national Warm Welcome map](#).
