7th May 2026

Dear Parents / Carers, Staff and Governors

All stakeholders were recently sent information regarding Birmingham City Council's proposal to remove the **Residential Provision at Lindsworth School**.

We are now writing to inform you that **Drop-In Consultation Sessions** will take place **on Wednesday 13th May 2026 at Lindsworth School**. These sessions are open to all stakeholders and provide an opportunity to ask questions, seek clarification, and share your views directly with representatives involved in the proposal. Please see details of the Drop-In sessions attached.

We strongly encourage everyone to respond to the **Statutory Proposal**, sent to all Stakeholders on 24th April 2026 and express their views regarding the proposed removal of our residential provision.

It is important to note that the extended day offer was introduced as a **short-term measure** while the school worked to reopen Residence following the fire door compliance issues experienced last year. The proposal, if approved, would permanently remove the residential designation and the associated extended support provision.

Your feedback is vital in ensuring that the full impact of this proposal—on pupils, families, and the wider school community—is properly understood and considered.

Your support is much appreciated.

Kate Beale
Headteacher
