Dear Parents and Carers,

Re: School Closure Due to Extreme Weather Conditions

I am writing to inform you that we have made the decision to close the school on Thursday 25th June following updated forecasts from the Met Office.

The Met Office has issued a Red Weather Warning for extreme heat, with temperatures expected to reach very high levels. We know this kind of heat can pose a serious risk to health, particularly for children and young people in a school environment.

Online work for maths, English, science and an array of other subjects is available for all students on the Oak National Academy platform, via:

<https://www.thenational.academy>

We will continue to monitor the weather closely. At present, there is a possibility that the school may also need to remain closed on Friday, and we will keep you updated as soon as we have further information. Please continue to check the website for further updates.

Thank you for your understanding and continued support.

Yours sincerely,

Kate Beale
Headteacher
Lindsworth School
