Dear Parents and Carers,

As we approach the end of our first half term, I would like to take this opportunity to thank you for your continued support as your child has settled into life at secondary school.

Following a review of student progress and individual needs, we will be making some changes to Year 7 class groups after the half-term break. These changes are designed to ensure that all students are placed in learning environments that best meet their needs and enable them to achieve the best possible outcomes. Staff have carefully considered these arrangements and believe they will provide the greatest benefit for our students moving forward.

You may also be aware that significant renovation and improvement works are currently taking place across our school site. As part of this exciting development programme, Year 7 students will be relocating from the JC Building to the Cadbury Building during the first week back after half term. This move will allow renovation work to begin on the JC Building while providing students with an enhanced learning environment.

The Cadbury Building has recently benefited from substantial improvements, including new doors and walls, fresh decoration, new furnishings, and improved learning spaces. In addition, students will have access to a purpose-built Multi-Use Games Area (MUGA) in the playground, created specifically for Year 7 students to enjoy during social times and physical activities.

We would be grateful if you could discuss these changes with your child before they return to school to help ensure they feel prepared and confident about the transition. We are excited about the opportunities these developments will bring and are confident that students will quickly settle into their new surroundings.

Thank you once again for your support. We wish you and your family a restful and enjoyable half-term break.

Yours sincerely,

Siobhan Meadows

Pastoral Manager - Year 7
