

Dear Parent/ Carer,

I am delighted to provide you with a copy of the latest Ofsted report, based on Lindsworth School's most recent inspection. From September 2024, Ofsted no longer makes an overall effectiveness judgement in inspections of state-funded schools; however, Ofsted made the following key judgements following our school inspection on 3 December/ 4 December 2024:

- Quality of education: **Good**
- Behaviour and attitudes: **Good**
- Personal development: **Outstanding**
- Leadership and management: **Good**

Below are some of the comments included in the report:

- *The development of pupils' character is exemplary. The school guides pupils to explore their talents and interests.*
- *Staff help pupils to share their talents with others to enhance life in school.*
- *The school has high expectations for pupils' achievement and they do well.*
- *Lindsworth is a nurturing school where pupils engage positively with all aspects of their education.*
- *Most pupils quickly gain the knowledge and skills they need to become confident, fluent readers.*
- *Staff have the expertise to help pupils who are at the early stages of learning to read. This helps pupils who find reading difficult to catch up.*
- *Staff carefully consider the information in pupils' education, health and care (EHC) plans to ensure that the correct provision is in place to meet their learning, social and emotional needs.*
- *Staff provide very high-quality pastoral support to pupils and their families.*
- *Pupils can concentrate on their work as behaviour is managed well. All staff are clear about the behaviours that they expect from the pupils.*

We are incredibly proud of the contribution our students made towards achieving these judgements; your continued support is greatly appreciated.

Yours faithfully,

K. Beale
